**ORDER OF DISMISSAL FOR LACK OF JURISDICTION**

After receipt of a document from petitioner filed August 3, 2015, as an imperfect petition to commence the above-captioned case, the Court, by Order dated August 5, 2014, directed the filing of a proper amended petition and payment of the Court's filing fee. On August 17, 2015, petitioner filed a document entitled "Request for Motion Terminating IRC Chapter 24 Withholding Per 26 USC 6013(G)(4)(A)". That document opened with the following: "For the record, Petitioner's REQUEST is provided as a "position statement". In no manner, form, or intent does Petitioner's REQUEST grant the United States Tax Court (USTC) jurisdiction over the Petitioner who is domiciled 'without the geo/legislative (^) United States jurisdiction'." The document went on to emphasize, inter alia, that Clark County, Nevada, is not in the statutory "United States", and that petitioner "is now permanently free from participation in the federal income tax scheme".

Accordingly, it appearing that petitioner does not intend to file an amended petition and pay the filing fee as directed in the Court's Order dated August 5, 2015, it is

ORDERED that, on the Court's own motion, this case is dismissed for lack of jurisdiction.
